-
- Note :**
1. An Intern who has an average score of less than 60% (i.e C) may need to repeat the internship in the department concerned.
 2. Supervising Consultants, heads of Department and Chief Medical Directors of Internship Training Hospitals are reminded that it is a professional misconduct for one to append his/her signature on a form which contains false or misleading information. Consultants shall be held responsible for the Veracity of assessments which they give on their names.
 3. It is illegal for any medical graduate to commence internship posting without having been provisionally registered by the Council. It follows that any posting done before registration is invalid.
