

MEDICAL AND DENTAL COUNCIL OF NIGERIA

ASSESSMENT EXAMINATION FOR FOREIGN MEDICAL GRADUATES.

Council has decided that:

- 1. Any candidate who does not pass the assessment examination after 3 sittings must undergo a one year training in Medical school before re-attempting the examination for the last time.**
- 2. With effect from October 2012, the Assessment examination would be compulsory for all foreign trained doctors irrespective of the Medical/Dental institution the doctor was trained.**
