

NOTICE TO MDCN CONTINUING PROFESSIONAL DEVELOPMENT (CPD) PROVIDERS.

It has come to the notice of Medical and Dental Council that some CPD providers simply award credit units for financial gains. This action is at variance with the provisions of the Guidelines on CPD.

All CPD providers should take caution in ensuring strict compliance with the extant regulations regarding impartation of requisite knowledge at such forum.

Furthermore, all providers are required to up-date the Council with report of their activities on a regular basis.
